PB Leiner Kosher Gelatin products

Our clean label, 100% natural, non-GMO gelatin is now also available certified kosher. We guarantee the highest standards in quality and purity. Our partner for certification and compliance, OK Kosher, will reassure even the most demanding kosher consumers.

By adding gelatin to your recipes, you will be doing your customers a culinary kindness. Whether you are preparing a gel, a mousse, an espuma, or want to thicken a broth, gelatin will enhance the texture of your dish. You will also create the most fabulous glazes. In the pharmaceutical industry, gelatin is a sought-after ingredient for applications such as hard and soft capsules, tablet coatings, etc.
